(SCP NO. 0286A, Site ID NO. 16638)

Dear Mr. Cho:

We are in receipt of your letter dated April 15, 2016, in which your office has requested the preparation and submittal of the following information for the Defense Logistics Agency Energy (DLA-Energy) responsible portion of the shallow soil located within the 15 eastern-most acres of the former DFSP Norwalk property:

1. Lateral and vertical extent of shallow soil for no further action determination
2. Soil investigation and confirmation data that demonstrates soil within the area for no further action determination meets the site's soil cleanup goals
3. Soil gas survey data within the area for no further action determination
4. Current and planned remedial activities for deeper soil and groundwater
5. Human health risk assessment for OEHHA review.

Please note that the requested information for items 1, 2, and 3 has been previously included in DLA-Energy's report dated April 18, 2016 and entitled *Shallow Soil Closure Report, DLA-Energy Responsible Portion of The Eastern Portion DFSP Norwalk*. The information requested in items 4 and 5 above will be included as an addendum to the April 18, 2016 soil closure report.

As we have discussed, to provide adequate time to prepare the human health risk assessment and to summarize remedial plans for deeper soil and groundwater, on behalf of DLA-Energy, we

Telephone: (562) 597-1055
Facsimile: (562) 597-1070

respectfully request that the submittal date for the required information be extended to May 31, 2016.

We appreciate the LARWQCB considering this request. If you have any questions, please call me at (562) 597-1055.

Sincerely,
